

DFW SAFETY ALERT 2/14/2017 Valet Carts

Recently a valet cart came in contact with the jetbridge while it was retracted.

Another unit came in contact with the telford due to jetbridge sensor malfunctioned.

- **NEVER** leave valet carts inside the “**Diamond of Safety**” or “**Safety Envelope**” after servicing flight.
- Valet carts **must** be stored inside the valet lift after use.
- In cases on which there is no valet lift at jetbridge; the unit can be position at the base of the jetbridge (**stationary portion, not behind the jetbridge cab**) and chocked to prevent movement during severe weather conditions.

If you have any questions, please contact your Supervisor/Manager or the Safety Department.

Please work safely and efficiently.

You are the **KEY** to
SAFETY!
