

## DFW SAFETY ALERT 6/8/2017

### Green Safety Delineators – Maintenance Pads

Effective immediately we will be using the **green** delineators for all aircraft placed at the Low/High Maintenance pads.

- The **green** safety delineators will only be used on the maintenance pads.
- Place 4 delineators at the aircraft end points (Nose, Tail and both wings).
- **NEVER** place the **green** delineators at the active gates to mark the “**Diamond of Safety**”
- Only **Red** delineators will be used on the operational gates.
- The delineators must not be pre-positioned while positioning the aircraft on the pads.

If you have any questions, please contact your Supervisor/Manager or the Safety Department.

**Please work safely and efficiently.**

You are the **KEY** to  
**SAFETY!**
