Safety Vest Policy Reminder

As a reminder, the safety vest policy applies to all AA employees and all those doing business on behalf of AA.

Personnel involved in ramp operations or while on the airport area (AOA) in any capacity, including walking on or off duty, shall wear a highly visible company approved safety vest as their outermost garment at all times. Cargo and Mail terminals are included.

Reference the Ramp Operations Manual (ROM) and Employee Safety and Health Manual (ESHM) for full details and/or any exceptions to this policy.
